KEEPSAKE PENDANTS

Titanium Necklace and Bracelets

The Originators of the Keepsake Pendant

Our Story of Inspiration

In March of 1992, our family lost a wonderful, spirited friend and mother. Her views on life were inspirational: "Love the moment" and "Death is the greatest adventure of all."

Madelyn
3/14/25 - 3/25/92

Still, in the months that followed, we sought another source of comfort and strength.

From Madelyn Saxer's zest for living and her ability to embrace death, the concept of the Keepsake Pendant was born.

A symbol of continuing love . . . a reassuring remembrance to keep close to one's heart.

In creating our pendant line, we had a simple purpose: to enable others to cope more easily, to hold a source of comfort in their hands and to find peace in their hearts.

Our Keepsake Pendants bring memories to an even more personal level by holding a small portion of cremated remains, a lock of hair or dried ceremonial flowers. The pendants may be worn or displayed in a glass dome.

This brochure shows the pendant styles in beautiful detail.

The opportunity to choose a Keepsake Pendant presents itself only once—the comfort a Keepsake Pendant offers, lasts a lifetime.

Sincerely,

*Wes Saxer Bruer

Madebyn Co. is proud to announce our new Timeless Memories keepsake wristwatch. This new addition is elegantly handsome and, like our other memorial jewelry, allows the wearer "to keep a loved one close".

Our patented Timeless Memories wristwatch has a "memorial capsule" on the back of each watch. Two types of capsules are shipped with each watch; a solid, stainless-steel version (engravable) for more discrete enclosures, and a glass cover version for those who prefer to view a photo, clip of hair, or other personal memorial.

Timeless Memories watches are jeweler-quality timepieces and are available only through Madebyn Co. Designed specifically for the Death Care industry, each watch can be easily filled by funeral professionals, or by owners themselves.

Image memories can be added to the rear surface of the Timeless Memories Stainless Steel Memorial Capsule via our new diamond etching process.

Please call for details and pricing.
